## **Independent Auditors' Report**

To the Members of  
**L.P. Investments Limited**

### **Report on the Financial Statements**

We have audited the accompanying financial statements of L.P. Investments Limited, which comprise the Balance Sheet as at 31 March 2015, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

### **Management's Responsibility for the Financial Statements**

The Company's Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

## **L.P. Investments Limited**

### **Summary of significant accounting policies and other explanatory information annexed to and forming part of the Balance Sheet as at 31st march, 2015**

#### **Note No. 16**

---

- (i) L.P. Investments Limited ( "the Company" ) is an Indian company incorporated on December 21, 1974, vide registration no. U65921PB1974PLC003526. The company is registered with the Registrar of Companies, Punjab and Chandigarh and it's registered office is situated at P.O. Jagatjit Nagar -144802, District. Kapurthala, Punjab. The Company's main objects are to invest or trade in financial securities.

Company's accounts are prepared for the year from 1<sup>st</sup> April, 2014 to 31<sup>st</sup> March 2015 and previous year figures are for the period from 1<sup>st</sup> April 2013 to 31<sup>st</sup> March, 2014.

#### **(ii) Basis of Accounting**

As required by the Companies Act 1956, the Central Government, in consultation with the National Advisory Committee on Accounting Standards (NACAS) has issued the Companies (Accounting Standards) Rules, 2006 which came into force on 6th December 2006. The Rules notify the accounting periods which would be effective for companies for the accounting periods commencing on or after that date.

Accordingly, the financial statements for this current period are prepared under the historical cost convention, on the accrual basis of accounting in accordance with the mandatory accounting standards issued by the Institute of Chartered Accountants of India to the extent applicable and the presentational requirements of the Companies Act, 2013.

#### **(iii) Use of Estimates**

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Example of such estimates includes future obligations under employee retirement benefit plans and estimated useful life of fixed assets, estimates of expected contract cost to be incurred to complete contracts, etc. Actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

#### **(iv) Expenditure**

Expenses are accounted for on accrual basis and provisions are made for all known probable losses and liabilities.

#### **(v) Earnings per Share**

Basic earning per share is computed using weighted average number of equity shares outstanding during the year.

## **L.P. Investments Limited**

**Summary of significant accounting policies and other explanatory information  
annexed to and forming part of the Balance Sheet as at 31st march, 2015  
Note No. 16**

### **(vi) Provisions, Contingent Liabilities and Contingent Assets**

A provision is recognized when the Company has a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and reliable estimate can be made of the amount of the obligation. A contingent liability is recognized where there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources.

The Company does not recognize assets which are of contingent nature until there is virtual certainty of realisability of such assets. However, if it has become virtually certain that an inflow of economic benefits will arise, the asset and related income are recognized in the financial statements of the year in which the change occurs.

There is no contingent liability or assets at year end.

### **(vii) Taxation**

Income tax expense comprises current tax (i.e. amount for the period determined in accordance with the Income Tax Act, 1961) and deferred tax charge or credit (reflecting the tax effects of timing difference between accounting income and taxable income for the period). The deferred tax charge or credit and the corresponding deferred tax liability or deferred tax asset are recognized using the tax rates that have been enacted or substantively enacted by the balance sheet date. Where there is unabsorbed depreciation or carry forward of losses under tax laws, deferred tax assets are recognized only to extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which deferred tax assets can be realised. Such assets are reviewed as at each balance sheet date to re-assess realization.

No deferred tax liabilities/assets are created or charged/credited to profit and loss account in absence of certainty of adequacy of profits in foreseeable period.

### **(viii) Fixed Assets and Depreciation**

Fixed assets are stated at cost less accumulated depreciation.

Depreciation has been provided based on life assigned to each asset in accordance with Schedule II of the Companies Act, 2013.

The company has disposed off fixed assets having no realizable value therefore the company does not have any fixed assets at year end

### **(ix) Revenue Recognition**

The company recognize revenue, when it is probable economic benefits to that extent will flow to the Company and the revenue can be measured. Income is recognized when no significant uncertainty exists as to measurability and realization. However, dividend on share, investments are accounted on receipt basis. Interest incomes are recognized over the period they pertain.

During the year, the company has not been able to identify profitable business hence no revenue earned during the year. However, the management is identifying a profitable business proposition to be pursued by the company.

### **(x) Foreign Currency Transactions**

Transaction in foreign currency are recorded at the exchange rate prevailing at the time of the transaction. Gains or losses out of fluctuations in rate between transaction date and settlement date in respect of revenue and expenses items are recognized in Profit and Loss Account.

Foreign exchange transactions are recorded at the monthly average exchange rates as they closely approximate the rate prevailing on the date of transaction. Year-end monetary assets and liabilities denominated in foreign currencies are translated at the year-end foreign exchange rates.

Exchange differences arising on settlements/translations are recognized in the Profit and Loss Account of the year.

Outstanding balance payable/ receivable in foreign currency, if any, at year end are reinstated at the rate prevailing on year end.

The company has not earned and incurred any amount in foreign currency.

### **(xi) Investments**

Investments are classified into Current and Long Term Investment. Current Investments are stated at lower of Cost and Fair Market Value. Long Term Investments are valued at cost. A provision for diminution is made to recognize a decline, other than temporary, in the value of long-term investments.

The company has not made any investment in any securities/fund during the year.

### **(xii) Employee Benefits**

#### **Short term employee benefits**

Short term employee benefits such as Salary, Wages, Other employee benefit, contributions to employee's state insurance fund & other schemes are accounted for as and when incurred.

#### **Long term employee benefits**

- (i) JIL Trading Private Limited ( "the Company" ) is an Indian company incorporated on August 27, 2010, vide registration no. U51109DL2010PTC207648. The company is registered with the Registrar of Companies, Delhi and it's registered office is situated at 4th Floor, Bhandari House, 91, Nehru Place, New Delhi-110 019. The Company's main objects are to do business of marketers, traders dealers, exporter and importers of Alcoholic and other beverages and to enter into manufacturing contracts with others, to purchase or otherwise acquire, own etc in the said business and acquire the trade marks, selling rights of other manufacturers and traders.

Company's accounts are prepared for the year from 1<sup>st</sup> April, 2014 to 31<sup>st</sup> March 2015 and previous year figures are for the period from 1<sup>st</sup> April 2013 to 31<sup>st</sup> March, 2014.

### **(ii) Basis of Accounting**

As required by the Companies Act 1956, the Central Government, in consultation with the National Advisory Committee on Accounting Standards (NACAS) has issued the Companies (Accounting Standards) Rules, 2006 which came into force on 6th December 2006. The Rules notify the accounting periods which would be effective for companies for the accounting periods commencing on or after that date.

Accordingly, the financial statements for this current period are prepared under the historical cost convention, on the accrual basis of accounting in accordance with the mandatory accounting standards issued by the Institute of Chartered Accountants of India to the extent applicable and the presentational requirements of the Companies Act, 2013.

### **(iii) Use of Estimates**

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Example of such estimates includes future obligations under employee retirement benefit plans and estimated useful life of fixed assets, estimates of expected contract cost to be incurred to complete contracts, etc. Actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

### **(iv) Expenditure**

Expenses are accounted for on accrual basis and provisions are made for all known probable losses and liabilities.

### **(v) Earnings per Share**

Basic earning per share is computed using weighted average number of equity shares outstanding during the year.

A handwritten signature in black ink.

## **JIL Trading Private Limited**

**Summary of significant accounting policies and other explanatory information  
annexed to and forming part of the Balance Sheet as at 31st march, 2015  
Note No. 8**

### **(vi) Provisions, Contingent Liabilities and Contingent Assets**

A provision is recognized when the Company has a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and reliable estimate can be made of the amount of the obligation. A contingent liability is recognized where there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. The

Company does not recognize assets which are of contingent nature until there is virtual certainty of realisability of such assets. However, if it has become virtually certain that an inflow of economic benefits will arise, the asset and related income are recognized in the financial statements of the year in which the change occurs.

There is no contingent liability or assets at year end.

### **(vii) Taxation**

Income tax expense comprises current tax (i.e. amount for the period determined in accordance with the Income Tax Act, 1961) and deferred tax charge or credit (reflecting the tax effects of timing difference between accounting income and taxable income for the period). The deferred tax charge or credit and the corresponding deferred tax liability or deferred tax asset are recognized using the tax rates that have been enacted or substantively enacted by the balance sheet date. Where there is unabsorbed depreciation or carry forward of losses under tax laws, deferred tax assets are recognized only to extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which deferred tax assets can be realised. Such assets are reviewed as at each balance sheet date to re-assess realization.

In accordance of Income Tax Act, the company has no taxable income, therefore, no provision for income tax has been made during the year.

No deferred tax liabilities/assets are created or charged/credited to profit and loss account in absence of certainty of adequacy of profits in foreseeable period.

### **(viii) Fixed Assets and Depreciation**

Fixed assets are stated at cost less accumulated depreciation.

Depreciation has been provided based on life assigned to each asset in accordance with Schedule II of the Companies Act, 2013.

The company does not have any fixed assets at year end

### **(ix) Revenue Recognition**

The company recognize revenue, when it is probable economic benefits to that extent will flow to the Company and the revenue can be measured. Income is recognized when no significant uncertainty exists as to measurability and realization. However, dividend on share, investments are accounted on receipt basis. Interest incomes are recognized over the period they pertain.

During the year, the company has not been able to identify profitable business hence no revenue earned during the year. However, the management is identifying a profitable business proposition to be pursued by the company.

### **(x) Foreign Currency Transactions**

Transaction in foreign currency are recorded at the exchange rate prevailing at the time of the transaction. Gains or losses out of fluctuations in rate between transaction date and settlement date in respect of revenue and expenses items are recognized in Profit and Loss Account.

Foreign exchange transactions are recorded at the monthly average exchange rates as they closely approximate the rate prevailing on the date of transaction. Year-end monetary assets and liabilities denominated in foreign currencies are translated at the year-end foreign exchange rates.

Exchange differences arising on settlements/translations are recognized in the Profit and Loss Account of the year.

Outstanding balance payable/ receivable in foreign currency, if any, at year end are reinstated at the rate prevailing on year end.

The company has not earned and incurred any amount in foreign currency.

### **(xi) Investments**

Investments are classified into Current and Long Term Investment. Current Investments are stated at lower of Cost and Fair Market Value. Long Term Investments are valued at cost. A provision for diminution is made to recognize a decline, other than temporary, in the value of long-term investments.

The company has not made any investment in any securities/fund during the year.

### **(xii) Employee Benefits**

#### **Short term employee benefits**

## Sea Bird Securities Private Limited

Summary of significant accounting policies and other explanatory information  
annexed to and forming part of the Balance Sheet as at 31st march, 2015  
Note No. 9

---

- (i) Sea Bird Securities Private Limited ( "the Company" ) is an Indian company incorporated on August 27, 2010, vide registration no. U65993PB2006PTC030689. The company is registered with the Registrar of Companies, Delhi and it's registered office is situated at P.O. Jagatjit Nagar-144802, District Kapurthala, Punjab. The Company's main objects are to make investments in securities/funds..

Company's accounts are prepared for the year from 1<sup>st</sup> April, 2014 to 31<sup>st</sup> March 2015 and previous year figures are for the period from 1<sup>st</sup> April 2013 to 31<sup>st</sup> March, 2014.

### (ii) Basis of Accounting

As required by the Companies Act 1956, the Central Government, in consultation with the National Advisory Committee on Accounting Standards (NACAS) has issued the Companies (Accounting Standards) Rules, 2006 which came into force on 6th December 2006. The Rules notify the accounting periods which would be effective for companies for the accounting periods commencing on or after that date.

Accordingly, the financial statements for this current period are prepared under the historical cost convention, on the accrual basis of accounting in accordance with the mandatory accounting standards issued by the Institute of Chartered Accountants of India to the extent applicable and the presentational requirements of the Companies Act, 2013.

### (iii) Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Example of such estimates includes future obligations under employee retirement benefit plans and estimated useful life of fixed assets, estimates of expected contract cost to be incurred to complete contracts, etc. Actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

### (iv) Expenditure

Expenses are accounted for on accrual basis and provisions are made for all known probable losses and liabilities.

### (v) Earnings per Share

Basic earning per share is computed using weighted average number of equity shares outstanding during the year.

**Summary of significant accounting policies and other explanatory information  
annexed to and forming part of the Balance Sheet as at 31st march, 2015  
Note No. 9**

### **(vi) Provisions, Contingent Liabilities and Contingent Assets**

A provision is recognized when the Company has a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and reliable estimate can be made of the amount of the obligation. A contingent liability is recognized where there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. The

Company does not recognize assets which are of contingent nature until there is virtual certainty of realisability of such assets. However, if it has become virtually certain that an inflow of economic benefits will arise, the asset and related income are recognized in the financial statements of the year in which the change occurs.

There is no contingent liability or assets at year end.

### **(vii) Taxation**

Income tax expense comprises current tax (i.e. amount for the period determined in accordance with the Income Tax Act, 1961) and deferred tax charge or credit (reflecting the tax effects of timing difference between accounting income and taxable income for the period). The deferred tax charge or credit and the corresponding deferred tax liability or deferred tax asset are recognized using the tax rates that have been enacted or substantively enacted by the balance sheet date. Where there is unabsorbed depreciation or carry forward of losses under tax laws, deferred tax assets are recognized only to extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which deferred tax assets can be realised. Such assets are reviewed as at each balance sheet date to re-assess realization.

In accordance of Income Tax Act, the company has no taxable income, therefore, no provision for income tax has been made during the year.

No deferred tax liabilities/assets are created or charged/credited to profit and loss account in absence of certainty of adequacy of profits in foreseeable period.

### **(viii) Fixed Assets and Depreciation**

Fixed assets are stated at cost less accumulated depreciation.

Depreciation has been provided based on life assigned to each asset in accordance with Schedule II of the Companies Act, 2013.

The company does not have any fixed assets.

### **(ix) Revenue Recognition**

The company recognize revenue, when it is probable economic benefits to that extent will flow to the Company and the revenue can be measured. Income is recognized when no significant uncertainty exists as to measurability and realization. However, dividend on

share, investments are accounted on receipt basis. Interest incomes are recognized over the period they pertain.

During the year, the company has not been able to identify profitable business hence no revenue earned during the year. However, the management is identifying a profitable business proposition to be pursued by the company.

### **(x) Foreign Currency Transactions**

Transaction in foreign currency are recorded at the exchange rate prevailing at the time of the transaction. Gains or losses out of fluctuations in rate between transaction date and settlement date in respect of revenue and expenses items are recognized in Profit and Loss Account.

Foreign exchange transactions are recorded at the monthly average exchange rates as they closely approximate the rate prevailing on the date of transaction. Year-end monetary assets and liabilities denominated in foreign currencies are translated at the year-end foreign exchange rates.

Exchange differences arising on settlements/translations are recognized in the Profit and Loss Account of the year.

Outstanding balance payable/ receivable in foreign currency, if any, at year end are reinstated at the rate prevailing on year end.

The company has not earned and incurred any amount in foreign currency.

### **(xi) Investments**

Investments are classified into Current and Long Term Investment. Current Investments are stated at lower of Cost and Fair Market Value. Long Term Investments are valued at cost. A provision for diminution is made to recognize a decline, other than temporary, in the value of long-term investments. The Company has not made any investment in any securities/fund during the year.

As required by the Companies Act 1956, the Central Government, in consultation with the National Advisory Committee on Accounting Standards (NACAS) has issued the Companies (Accounting Standards) Rules, 2006 which came into force on 6th December 2006. The Rules notify the accounting periods which would be effective for companies for the accounting periods commencing on or after that date.

Accordingly, the financial statements for this current period are prepared under the historical cost convention, on the accrual basis of accounting in accordance with the mandatory accounting standards issued by the Institute of Chartered Accountants of India to the extent applicable and the presentational requirements of the Companies Act, 2013.

**(iii) Use of Estimates**

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Example of such estimates includes future obligations under employee retirement benefit plans and estimated useful life of fixed assets, estimates of expected contract cost to be incurred to complete contracts, etc. Actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

**(iv) Expenditure**

Expenses are accounted for on accrual basis and provisions are made for all known probable losses and liabilities.

**(v) Earnings per Share**

Basic earning per share is computed using weighted average number of equity shares outstanding during the year.

### **(vi) Provisions, Contingent Liabilities and Contingent Assets**

A provision is recognized when the Company has a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and reliable estimate can be made of the amount of the obligation. A contingent liability is recognized where there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. The

Company does not recognize assets which are of contingent nature until there is virtual certainty of realisability of such assets. However, if it has become virtually certain that an inflow of economic benefits will arise, the asset and related income are recognized in the financial statements of the year in which the change occurs.

There is no contingent liability or assets at year end.

### **(vii) Taxation**

Income tax expense comprises current tax (i.e. amount for the period determined in accordance with the Income Tax Act, 1961) and deferred tax charge or credit (reflecting the tax effects of timing difference between accounting income and taxable income for the period). The deferred tax charge or credit and the corresponding deferred tax liability or deferred tax asset are recognized using the tax rates that have been enacted or substantively enacted by the balance sheet date. Where there is unabsorbed depreciation or carry forward of losses under tax laws, deferred tax assets are recognized only to extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which deferred tax assets can be realised. Such assets are reviewed as at each balance sheet date to re-assess realization.

In accordance of Income Tax Act, the company has no taxable income, therefore, no provision for income tax has been made during the year.

No deferred tax liabilities/assets are created or charged/credited to profit and loss account in absence of certainty of adequacy of profits in foreseeable period.

### **(viii) Fixed Assets and Depreciation**

Fixed assets are stated at cost less accumulated depreciation.

Depreciation has been provided based on life assigned to each asset in accordance with Schedule II of the Companies Act, 2013.

The company does not have any fixed assets.
